Multi Sporting Facility for Port Pirie

Geoff congratulates the Port Pirie Regional Council on the work that's been done to have proposals for the development of a multi sporting facility in Port Pirie.

Port Pirie is renowned for being greatly involved in many sports and this proposal will enhance and greatly improve opportunities and facilities for a better future for our youth and assist them to achieve their goals.

Port Pirie Regional Council currently has two options with a third being developed and Geoff gives 100% support to work actively towards achieving this wonderful goal with the Port Pirie Regional Council and the sporting community of Port Pirie.

This proposal recognises the importance on the wellbeing of our citizens and the benefits this would bring. Encouraging people to participate in exercise assists in the reduction of obesity which helps decrease the risk of many chronic diseases.

The proposed facilities will also greatly enhance Port Pirie's special events strategy and tourism opportunities. Geoff encourages the community to view the final proposal with their thoughts and suggestions when available.

When the final plans and costing's are available Geoff will challenge the current Government and the Opposition to commit funds to this great project.
