### **Port Broughton to Alford –Shoulder Sealing**

Geoff is grateful after lobbying the Minister the Alford to Wallaroo Road is being widened with Shoulder Sealing.

Geoff is concerned with the condition of rural roads across the Electorate of Frome and is requesting that the Port Broughton to Alford road also be widened with Shoulder Sealing.

Both of these roads are not only used by tourists but also large vehicles with our grain industry.

The Port Broughton to Alford road is experiencing extra traffic and it also is the only access for passenger busses and extremely important for the Ambulance when it is required.

Geoff has written to the Minister and lobbied for this road to have urgent attention.

Regional roads have been lacking attention for many years and Geoff will continue to lobby strongly for other roads across the Electorate of Frome to receive attention and to ensure opportunities for any incidents are reduced.
