SUCCESSFUL FUNDING APPROVED TOY LIBRARY

Geoff is very pleased to advise that funding for the Toy Library in Clare will continue to the end of 2015. The funding will continue at \$7,000 per year and there will be no changes to the current agreement.

This commitment has been forthcoming after Geoff brought it to the attention of the Minister for Education and Child Development that funding for this beneficial service which provides learning opportunities for young children would expire at the end of 2014.

The valuable role played by this service in supporting children and families in our community is recognised by the department.

Geoff fully supports this wonderful service which provides toys and educational equipment for the development of young children and the many volunteers that contribute their time to benefit our next generation to learn and grow.

Geoff welcomes this commitment and what it means for the community. The Clare Toy Library can now continue their service with the knowledge that they have certainty for their future operations into 2015.
