Local Schools receive a Boost in Funding for Maintenance

Geoff congratulates the following schools on sharing \$975,000 of funds that has been allocated in the 2014/15 Maintenance Grant Program.

These funds are on top of the standard allocation for school maintenance and provide for a range of minor works, upgrades and repairs designed to maintain the good condition of the school facilities.

This work ranges from replacing bitumen, air conditioning and building structure work and recognises that these are important works to keep schools functioning at their best levels.

Balaklava High School (\$82,000)
Gladstone High School (\$320,000)
John Pirie Secondary School (\$200,000)
Risdon Park Primary School (\$220,000)
Snowtown Primary School (\$153,000)

Solomontown Kindergarten also received funding of (\$111,550) under the 2014/15 National Quality Agenda Program for works to improve facilities under the National Quality Standards.

Geoff is pleased to see these funds committed, improving and addressing additional maintenance needed for these schools.
