Voluntary Euthanasia – what are your thoughts?

The Honourable Geoff Brock MP, Independent Member for FROME is calling on his constituents to provide their thoughts on this topic.

The Voluntary Euthanasia Bill will be reintroduced for debate in Parliament in April and Geoff is asking his Constituency to contact his office and provide their views.

Voluntary Euthanasia is a very emotion filled topic and many people have different opinions and strong beliefs for or against.

“My personal view is one thing ... but I want to make it clear to my constituents I need their views. I’m asking them to come in and talk to me and my staff, write, email or telephone their views. We have a great data base which I access regularly to see what my constituents want. It is not for public information.”
