Four Major Road Upgrades for Frome

Geoff has lobbied hard for improvement to the roads across the Electorate of Frome and is pleased to see over \$7m being spent to carry out four road upgrades in the Frome Electorate.

The projects include Stage 2 of the Laura to Gladstone Road and Stage 2 of the Bute to Kulpara Road.

- Spencer Highway between Port Pirie and Port Broughton - Shoulder surfacing \$1.3
- Farrel Flat Road near Clare - Reconstruction and shoulder repair – \$1.5m
- Laura to Gladstone Road - Stage 2 (approx.. four kilometres) 'Horrocks Highway' – \$2.2 m
- Bute to Kulpara Road - Stage 2 (approx. nine kilometres) – commenced March 2016 \$2.8 m

Geoff said: "Stage 2 of Laura to Gladstone Road and the Bute to Kulpara Road, form commitments the State Government made as part of my agreement with the Premier and will be crucial to improving safety on important rural roads."

Works on the Bute to Kulpara Road commenced in March 2016 and are expected to be completed by June with a final seal applied later in the year.

Geoff remains passionate about road safety and urges all drivers to take care when travelling on our country roads and continue to show consideration for others during the construction periods.

Too many people die on country roads every year and while all road users are responsible for their own safety, projects such as these are also vital." Geoff said.
