[Fund My Idea Mallee South deadline extended](#)

September 28, 2016

The deadline for submissions for project ideas in the Mallee South *Fund My Idea* program has been extended until Monday 10 October.

Local residents in the Tatiara, Southern Mallee, and Karoonda East Murray council areas can put forward project ideas to be considered for funding of up to \$50,000.

Ideas will then be put to a public vote with the top three as voted on considered for funding.

The Mallee South *Fund My Idea* follows the recent Mallee South Country Cabinet held on 11-13 September.

Background

The Country Cabinet *Fund My Idea* program forms part of the State Government's Regional Development Fund which is designed to drive the growth of the state's regions.

Fund My Idea supports communities that host Country Cabinet meetings through projects which will assist regional economic and social needs, and benefit the wider community.

\$50,000 is available to each area that holds a Country Cabinet.

Quotes attributable to Regional Development Minister Geoff Brock

There's still time for people in the Tatiara, Southern Mallee, and Karoonda East Murray council areas to get their ideas in to be considered for funding through *Fund My Idea*.

The extended deadline will allow time for more ideas to come through for consideration for the public voting part of the program.

Fund My Idea is all about giving local people a say in where they would like to see funding in their area spent, and what will have a positive impact on the community.
