Your local MP, Geoff Brock wants your views on the Voluntary Euthanasia Bill

The Voluntary Euthanasia Bill is currently being reintroduced for debate in Parliament and Geoff is asking people who live in the Frome Electorate to express their views on this important Bill.

Voluntary Euthanasia is a very emotion filled topic and many people have different opinions and strong beliefs for or against.

I am pleased to see so many of my constituents have made their views known to me, however there is still time to contact the Frome Electorate office and forward your thoughts and views on the Voluntary Euthanasia Bill.

Quote attributed to the Hon Geoff Brock MP

"My personal view is one thing ... but I want to make it clear to my constituents I need their views. I'm asking them to come in and talk to me and my staff, write, email or telephone their views. We have a great data base which I access regularly to see what my constituents want. It is not for public information."
