Media Release

29th November 2016

\$2.2 million – Augusta Highway Reseal Safety Improvement

Geoff is pleased to see road works at George's Corner and other parts of Augusta Highway in this \$2.2 million reseal project.

Too many people die on country roads every year and while all road users are responsible for their own safety, projects such as these are also vital. This road resealing is very welcome and improves the safety for all road users.

To reduce the inconvenience to the general public during this re-sealing works, a speed restriction has been put in place. This work is being undertaken between 7.00am and 5.30pm, each day of the week.

Weather permitting, it is expected that this work will be completed by mid-December 2016.

"I remain passionate about road safety and am pleased to see that after considerable lobbying for improvements this work is taking place. Please take care and show consideration and patience to others, during these road works". Mr Brock said.
