The Mid North Partnership

## OPEN DAY

June 7th 2017

The Mid North Partnership has sites primarily located in the Clare & Gilbert Valleys, Northern Areas, Port Pirie City and Districts and Wakefield local government areas. The School Leaders of the Mid North are working together to ensure that its children and young people move from one educational setting to the next as smoothly as possible. The kindergartens, primary schools and the High School of the Mid North Partnership therefore, warmly invite you to visit on Wednesday the 7th June. There will be tours and opportunities for you to observe what children and young people are learning and doing as well as meeting with representatives from the sites.
