\$20m for Fund My Neighbourhood Program 2017

Today launches the State Government \$40m Fund My Neighbourhood program over two years 17/18 and 18/19. This Program gives South Australian's the opportunity to vote for projects that improve their streets, suburbs and towns.

Individual South Australians sponsored by an organisation such as a sport club, charity, school, community group or non-government organisation, can submit ideas that improve their neighbourhood and bring their communities together. The nominated idea can be valued from \$10,000 to \$150,000.

If an individual's idea is on Local Government or State Government-owned or managed-lands, the Fund My Neighbourhood team will consult with the relevant councils/agencies.

Following a verification process, South Australians can then vote for eligible projects.

Project ideas can be diverse, anything from a community hall or neighbourhood centre upgrades, Pedestrian crossing/lighting, a community garden, beautification of parks and playground, Community Artwork or initiatives designed to strengthen community cohesion.

I encourage everyone to think about what could benefit their neighbourhood and come up with your own ideas. For eligibility and further information visit: fundmyneighbourhood.sa.gov.au - or contact the Fund My Neighbourhood team on 1800 791 384 or email: bettertogether@sa.gov.au

Applications close: Friday 8th September 2017
