Local Sporting Club to receive State Government Funding

A \$13,800 State Government grant has been offered to the Brinkworth Bowling Club. This grant will go towards the upgrade new bowling green of synthetic turf in Brinkworth.

After months of lobbying for this sporting group, Geoff was pleased to advise Secretary Rod Sutton that the funding was approved.

The Club approached Geoff last year with their concerns that the Brinkworth Bowling Club's bowling green surface was below the standard expected of a competition green. With a synthetic surface the level of competitiveness and standard of play will improve immediately

This Brinkworth Bowling Club is a significant local facility and supports the district by hosting regular competition games. The Club has identified this summer as the season to transform their club. It is a club that is managed by a group of committed volunteers that have great pride in their club.

Geoff has worked tirelessly for Community and Sporting Groups in Frome to be able to receive State Government Funding.
